Width:	7ft 6 in
Body Number:	40577
Unladen Weight:	
Entered Service:	1945
Withdrawn:	1970
Owner:	The Trolleybus Museum at Sandtoft

BRIEF HISTORY

52 is fitted with a “relaxed utility” body supplied under Ministry of War Transport regulations, remaining in service with its original owner until it was bought for preservation in 1970. Unusually for a Utility bus it is in largely original condition.

Moved from the Isle of Man to the Isle of Axholme it is currently undergoing renovation.

This vehicle can be viewed at the Museum.
